DETAILED ACTION

Response to Amendment

1. The Affidavit filed on November 17, 2005 under 37 CFR 1.131 is sufficient to overcome the Radian et al. reference (US Patent Publication 2002/0176403).

Allowable Subject Matter

2. Claims 1-21 are allowed.
3. The following is an examiner's statement of reasons for allowance:

The Examiner has not found a packet voice gateway which communicates on a non-PSTN network switch and does not perform call switching such that the access network interface translates signaling between the access network protocol and the packet-based gateway control protocol such that it emulates a group of physical subscribers and the packet voice gateway controls the access network interface via signaling packets issued by a call agent.
4. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
